- Long Term Care
- Home and Community Based Waiver Services (HCBS) for those who are eligible

How to use your Medicaid ID card
- You must bring your Medicaid ID card with you to every doctor appointment and everywhere you receive medical care.
- You will also receive an ID card from your health plan.

BE SURE TO BRING BOTH CARDS TO EVERY DOCTOR APPOINTMENT.
You must present your Medicaid ID card and your health plan ID card wherever you receive medical care.
How do I get care?
• Your medical professional is your Primary Care Provider, or PCP
• If you get sick or need a checkup, call your PCP. If your family member is sick or needs a checkup, call their PCP
• If you cannot keep the appointment, you need to call your PCP’s office and tell them
• It is very important to call your PCP at least 24 hours in advance if you need to cancel the appointment
• If you cancel an appointment, make arrangements with your PCP for a new appointment
• If you need to see a specialist, talk with your PCP first
  *For example: If your child needs to see an ear doctor, your child’s PCP will recommend which ear doctor you should take your child to*
• The providers you see must be in the health plan network you have chosen
  *Exception: You may go to any family planning provider but they must accept Medicaid*

Emergency/Urgent Care
An emergency is a time when your life is in danger. Or, it can be something that happens that could cause permanent disability if not treated immediately. If you are having an emergency, call 911 or go to the closest emergency room. You can get emergency services whether or not they are in your health plan network.

The following are examples of emergencies:
• A serious accident
• Poisoning
• Chest pains
• Stroke
• Severe bleeding
• Severe burns
• Difficulty breathing

You should use urgent care when your life is not in danger and you have time to call your PCP. If you need urgent care, call your PCP to get instructions. You can call your PCP 24 hours a day, 7 days a week.

Some examples of urgent care are:
• Fever
• Stomach pain
• Earaches
• Headache
• Symptoms of cold or flu
How to Receive Medical Transportation Services
You can get transportation if you cannot get to and from the medical professional’s office and pharmacy. You can call IntelliRide at 1-844-531-3783 to set up transportation. You need to call at least three (3) business days before your appointment to schedule a ride.

Grievances
A grievance is a complaint about access to care, quality of care, or problems communicating with your health plan or PCP. If you have a grievance about your health care, contact a Choice Counselor at Heritage Health for help or contact member services at your health plan and work through their grievance process. Refer to your member handbook from your health plan on how to contact them. You can file a grievance by phone or in writing.

Appeals
An appeal is when you ask for a formal hearing when you do not agree with a decision made by your health plan. You have the right to appeal when your health plan:
• Denies a service approval request
• Does not approve a service in an amount, length of time, or scope that you requested
• Suspends, reduces, discontinues, or terminates services

You also have a right to file an appeal if you do not agree with a decision made by your health plan. Your health plan must send you a notice in the mail when they do anything listed above.

Requesting an appeal with your health plan:
• Contact a member representative from your health plan by phone or mail
• The member handbook from your health plan tells you how to file an appeal
• You have ninety (90) days from the date on your notice of action to request a hearing
• In cases where the health plan is required to send you timely and adequate notice, if you request an appeal hearing within ten (10) days following the date of the notice, the plan must continue your services
• You may represent yourself at this hearing or be represented by another person

Requesting a State Fair Hearing:
• You can request a State Fair Hearing after your appeal to the health plan has been finalized
• You must send the appeal request for a State Fair Hearing in writing.
• Send your appeal request to:
  DHHS Hearing Office
  P.O. Box 98914
  Lincoln, NE 68509-8914

• You have 90 days from the date on the notice of action to request a State Fair Hearing
• Once you have filed the appeal request for a State Fair Hearing, a hearing will be scheduled and you will be notified of the time and place
• You may represent yourself at this hearing or be represented by another person

Frequently Asked Questions

Q: What if I do not choose a health plan?
A: If you do not choose a health plan by the date stated in your letter, one will be chosen for you. This is called an Auto Assignment. Your packet includes your health plan options, the timeframe you have to choose, as well as the start date of your health plan. Keep in mind that you will have 90 days to change your selected plan from the listed start date.

Q: Can I change my health plan?
A: After your health plan begins you will have 90 days to change it. After that 90-day timeframe, you may only change your health plan during the Open Enrollment period.

Q: Can I change my PCP?
A: You may change your primary care provider at any time. You will need to contact your health plan to do so.

Q: What is open enrollment?
A: Open Enrollment is the period when members can change plans without State approval. Open Enrollment occurs annually towards the end of each calendar year. You will receive reminder letters alerting you of these time periods.

Q: What if I need to change my health plan outside the Open Enrollment period?
A: Plan transfers made outside of the Open Enrollment period will only be granted if the State approves a “for-cause” reason.
Q: What is “for-cause”?
A: This is a State-approved reason to change plans outside your Open Enrollment period. Some examples of “for-cause” reasons are poor quality of care given by your medical provider (e.g., not enough treatment for a medical condition, refusal to give referrals for a second opinion), lack of access to covered medical services and lack of access to medical providers.

Q: I am on Nebraska Medicaid (fee-for-service). I received a letter that stated I am enrolled in a health plan. Can I choose to stay on fee-for-service Medicaid?
A: No. You will need to be enrolled in a new health plan.

Q: I have a special health care need. Are there special plans that will cover my needs?
A: All health plans cover people with special health care needs. You get to be a member of the health plan that best meets your individual and your family’s needs.

Q: I am pregnant and on Medicaid. How do I enroll my baby in my health plan?
A: Your baby is pre-enrolled in your health plan during prenatal care. After the birth of your baby, if you would like to select a different health plan for the baby, call the Heritage Health Enrollment Center within 90 days of birth to speak with a Choice Counselor.

Q: If I move, do I have to switch to a new health plan?
A: Your health plan is state-wide and will not change if you move within Nebraska. As a reminder, if you move you need to contact ACCESSNebraska to report your change of address.

Q: Can I still see the same medical professional?
A: Each plan has its own network of providers, which may include your current providers. If you need assistance searching through their networks, contact a Choice Counselor.

Q: How do I get materials if I don’t have access to the Website?
A. All materials are mailed out but if you have misplaced your Enrollment materials, reach out to a Choice Counselor at 1-888-255-2605. We will be happy to assist you.

Q. When is an authorized representative form needed for Heritage Health?
A. An authorized representative form is needed for an individual not listed as the head of household who wants to speak on behalf of or make a health plan change for a Heritage Health member.

Q. How do I change a health plan or speak on behalf of a Heritage Health member if I am an authorized representative?
A. Download the Designation of Authorized Representative Form from the website, complete, sign and date the form and return it to the Heritage Health Enrollment Center via mail or fax. The form will be kept on file so that you can speak or take action on behalf of a Heritage Health member at any time.
