How to Use Your Medicaid and Heritage Health Plan ID Cards

- You will receive a Medicaid ID card. You will also receive an ID card from your Heritage Health plan.
- You must present your Medicaid ID card and your Heritage Health plan ID card wherever you get care.

BE SURE TO BRING BOTH CARDS TO EVERY APPOINTMENT

How to Get Care

- Your medical professional is your Primary Care Provider, or PCP.
- If you get sick or need a checkup, call your PCP. If your family member is sick or needs a checkup, call their PCP.
- If you cannot keep the appointment, you need to call your PCP’s office and tell them.
- It is very important to call your PCP at least 24 hours in advance if you need to cancel the appointment.
- If you cancel an appointment, make arrangements with your PCP for a new appointment.
- If you need to see a specialist, talk with your PCP first.
  For example: If your child needs to see an ear doctor, your child’s PCP will recommend an ear doctor.
- The providers you see must be in the health plan network you have chosen.
  Exception: You may go to any family planning provider but they must accept Medicaid.

Emergency/Urgent Care

An emergency is a time when your life is in danger. Or, it can be something that happens that could cause permanent disability if not treated immediately. If you are having an emergency, call 911 or go to the closest emergency room. You can get emergency services whether or not they are in your health plan network.

The following are examples of emergencies:
  - A serious accident
  - Poisoning
  - Chest pains
  - Stroke
  - Severe bleeding
  - Severe burns
  - Difficulty breathing

You should use urgent care when your life is not in danger and you have time to call your PCP. If you need urgent care, call your PCP to get instructions. You can call your PCP 24 hours a day, 7 days a week.
How to Receive Medical Transportation Services
You can get transportation if you cannot get to and from the medical professional’s office and pharmacy. You can call IntelliRide at 1-844-531-3783 to set up transportation. You need to call at least three (3) business days before your appointment to schedule a ride.

Grievances
A grievance is a complaint about access to care, quality of care, or problems communicating with your health plan or PCP. If you have a grievance about your health care, contact a Choice Counselor with Heritage Health at 1-888-255-2605 for help. You can also contact member services at your health plan and work through their grievance process. Refer to your member handbook from your health plan on how to contact them. You can file a grievance by phone or in writing.

Appeals
An appeal is when you ask for a formal hearing when you do not agree with a decision made by your health plan. You have the right to appeal when your health plan:
- Denies or limits a service approval request
- Does not approve a service in an amount, length of time, or scope that you requested
- Denies payment for a service
- Suspends, reduces, discontinues, or terminates services
- Doesn’t act upon your grievance or appeal within required timeframes
- Denies your request to disagree with a bill

Requesting an appeal with your health plan:
- Contact a member representative from your health plan by phone or mail
- The member handbook from your health plan tells you how to file an appeal
- You have sixty (60) days from the date on your notice of adverse benefit determination to request an appeal with your health plan
- Your health plan must continue your benefits if you request to continue benefits and file your appeal with the health plan on time. The services also have to have been ordered by an authorized provider and your authorization period must not have run out.
- You may represent yourself for this appeal or be represented by another person

Some examples of urgent care are:
- Fever
- Stomach pain
- Earaches
- Headache
- Symptoms of cold or flu

Q: Can I change my PCP?
A: You may change your Primary Care Provider at any time. You will need to contact your health plan to do so.

A: Plan transfers made outside of the Open Enrollment period will only be granted if the State approves a “for cause” reason.

Q: What is “for cause”?
