### **What is Heritage Health?**

Heritage Health is Nebraska's Medicaid Managed Care program. It gives you one health plan for your physical health, behavioral health, and pharmacy needs. It also offers extra benefits and services.

### **What is Open Enrollment?**

Open Enrollment is your chance to choose a new health plan for 2021. Heritage Health will be sending you a packet that has information about your health plan choices, when to make a change, and how you can change by phone, online, or mail.
